For General Mills

OVERVIEW

We are pleased to submit the quotation for Pinguino support from July 2022 to June 2023.

We have developed and we have been supporting Pinguino since 2012. The system manages more than 7500 installation process per year and more than 5500 maintenance tasks yearly and is used by more than 130 active users

Our objective is continuing our support service, doing maintenance, developing new functionalities, improving existing features, answering users requests and resolving remedy tickets in the same way we have been doing the last years.

We are committed to improving the tool accompanying business changes and helping the General Mills to implement it in other countries.

The monthly fee will be USD 1020 (the same price as last year).
